NARODOWA AGENCJA
WYMIANY AKADEMICKIEJ

Part 1. Applicant – general information

1.1 First name (data copied from the applicant's profile)

1.2 Last name (data copied from the applicant's profile)

1.3 Gender
- ☐ Male
- ☐ Female

1.4 Date of birth (data copied from the applicant's profile)

1.5 Citizenship (data copied from the applicant's profile)

1.6 Identity card/passport number

1.7 Identity card/passport issued by

1.8 Identity card/passport valid until

1.9 Phone number

1.10 Academic title/degree

1.11 Orcid ID (If you have an ORCID number please enter it here)

1.12 Date of PhD award

1.13 Scan of the doctoral diploma or a certificate of having attained a doctoral degree with an officially certified translation into English if the original is issued in a language other than English, Polish or Latin. Add the PDF file (maximum 2 MB):

1.14 Type of workplace
- ☐ University
- ☐ Research organisation/institution
- ☐ Other

1.15 Employment status
- ☐ current employee or former employee if Applicant completed employment after 31 August 2020 in this Institution
- ☐ former graduate student – if Applicant obtained the PhD title after 31 August 2020 in this Institution

1.16 Full legal name of institution or workplace

1.17 City

1.18 Country (choose from the list:)

1.19 Webpage

1.20 Email address to the person who can confirm the status of the applicant in the Institution

1.21 Scan of employment confirmation issued by the human resources department or other document confirming the employment status at a foreign HEI or a foreign scientific/research centre after 31 August 2020; document should be in English and issued with the current date (not earlier than the date of announcement of the call). The document is not required if you obtained your doctoral degree after 31 August 2020. Add the PDF file (maximum 2 MB):

Part 2. Applicant's achievements

2.1 A scientific biography of Applicant including education, Applicant's history of scientific work. If possible, provide the total number of citations of all your publications, excluding self-citations, as well as the h-index (preferred source: Web of Science TM Core Collection or Scopus)

2.2 A list of 3 achievements published no earlier than 2016 out of the following:
a. a publication published in English, as the main author (especially first or correspondence), in journals included in one of the following international databases: Scopus, Science Citation Index Expanded, Social Sciences Citation Index, Arts & Humanities Citation Index; or
b. a reviewed research monograph published in English (Please note that, a chapter in an edited multi-author monograph is not treated as an achievement that meets this requirement); or
c. a publication in English in reviewed materials from an international conference listed by the Computing Research and Education Association of Australasia (CORE), indexed in the international DBLP Computer Science Bibliography database; or
d. a publication in English in reviewed materials from an international conference, indexed in the Web of Science Core Collection or Scopus database.

e. for the representatives of art studies - a proof of having made presentation of work of art in a foreign institution or an academic centre or having received a distinction in an international competition.

The Applicant can demonstrate 3 achievements under the same point (a, b, c, d or e), as well as 3 various achievements from among the indicated ones in point a-e.

It is required to provide a link to the page in the database where the publication is visible. For journals, state the current value of the 5-year Impact Factor or CiteScore index, provided that a journal has calculated values of these bibliometric indices, and the number of citations for individual publications without self-citations according to the Web of Science Core Collection or Scopus database

2.3 Attachments with 3 required achievements.

In the case of publication, the full text of the publication should be attached.

In the case of a monograph, please attach a file containing the cover page, page with the ISBN number, editorial page, table of contents and a selection of extracts containing the author's most important theses – no more than 20 pages in total.

In the case of representatives of the fine arts field, please attach the copy of a catalogue bearing the ISBN number confirming the fact of having made presentation of artwork at a foreign institution or an academic institution or a copy of a distinction received in an international competition, or any other formal confirmation of an artistic achievement.

Add the PDF files (maximum 2 MB):

2.4 A list of other publications; a maximum of 10 most important papers published no earlier than 2016

2.5 A list of the most significant research projects that have either been completed or are still in progress, highlighting international projects as well as indicating financing sources and the Applicant's role in the project; for representatives of the fine arts field: information on participation in an international project and brief description of each project

2.6 Internships, awards, patents and patent applications, membership in scientific societies and organisations and other important achievements

Part 3. Host Institution

3.1 Type of institution in which the Applicant will be hosted (choose from the list:)

3.2 Name of the institution (choose from the list:)

3.3 Faculty/division/team (according to the organisational structure of the institution)

Person authorized to represent the host institution

3.4 First name

3.5 Last name

3.6 Academic title/degree

3.7 Position

3.8 Email address

3.9 Phone number

Person responsible for coordination of the planned activities and Applicant's visit - Supervisor

3.10 First name

3.11 First name

3.12 Academic title/degree

3.13 Position

3.14 Email address

3.15 Phone number

3.16 Phone number (mobile)

3.17 Scan of the invitation from the Host institution, a template of which constitutes an attachment to the Announcement. The invitation should be issued with the current date and signed by the person authorised to represent the Host institution. The document shall be attached with a scan of power of attorney for such person.
The PDF file cannot be modified after electronic signature.
Add the PDF file (maximum 2MB):

Part 4. Information about the scholarship

4.1 Title of the proposal

4.2 Key words (no more than 5)

Abstract

4.3 Start date	4.4 Duration of the scholarship (number of months)	4.5 End date

4.6 Proposal classification according to the OECD classification of fields of science and technology.
Choose from the list (minimum one and maximum three indications are possible):

4.7 Activities to be carried out in during the scholarship. Choose from the list (more than one option is possible):
- ☐ completing the first or a subsequent post-doctoral fellowship;
- ☐ conducting scientific research;
- ☐ obtaining materials for research or a scientific publication.

4.8 In addition to the above activities, the visit also include conducting didactic classes at the Host institution
- ☐ YES
- ☐ NO

4.9 The key points or aims of the proposal

4.10 Work schedule: the milestones and their duration time

4.11 Description of the research and activities to be carried out during the scholarship including:

- detailed objectives, hypothesis
- description of the problem to be solved,
- current knowledge in the field
- description of tools and/or research/didactic methods,
- expected impact of the planned research on the development of science, civilization and society, etc.
- references

4.12 Description of the didactic program, if the scholarship includes conducting didactic classes at the host institution

4.13 Justification of choosing the host institution, adequate research and mentoring support, the research achievements of the host institution in the field of the planned research. Expected impact of the participation in the programme on the development of the Polish scientific unit or university, in which an Applicant will be hosted. Description of possible future cooperation between the Applicant and host institution, e.g. conferences, workshops, scientific publications, joint applications for research projects

4.14 Expected impact of the participation in the programme on the development of the scientific/academic career of the Applicant

4.15 Description of the expected results and goals to be achieved during the scholarships

NAWA NARODOWA AGENCJA WYMIANY AKADEMICKIEJ

Part 5. Budget of the scholarship

Living allowance – for Applicant PLN 10,000 per month

5.1 Duration of stay in Poland	5.2 Living allowance for stay
	PLN

Mobility allowance

5.3 Residence Country (choose from the list:)	5.4 Amount of mobility allowance
	PLN

Training allowance

5.5 Financing the cost of learning Polish (only for applicants who are not of Polish origin)

- ○ YES
- ○ NO

Additional persons

- ○ YES
- ○ NO

5.13 TOTAL

PLN

5.14 I am a holder of a certificate of a marked or moderate degree of disability and I am planning a visit with an assistant

- ○ YES
- ○ NO

Part 6. How did you find out about the programme?

How did you find out about the programme?

The question is asked for the purpose of the assessment of the activities of NAWA only. The answer is not taken into account in the formal or in the merit-based evaluation of the proposal.
Please choose one source of information:

- ○ Polish National Agency for Academic Exchange's (NAWA's) website: www.nawa.gov.pl or from the NAWA's newsletter that I am subscribed to
- ○ NAWA's social media profile (Facebook, Twitter, YouTube, LinkedIn)
- ○ ResearchGate website, e-mailing
- ○ Internet advertisement at the science-related website
- ○ from a beneficiary of the Ulam NAWA programme
- ○ in my institution (but not from a beneficiary of NAWA programme)
- ○ from a colleague representing Polish institution
- ○ information about the programme posted by the Polish hosting institution
- ○ other source

Part 7. Declarations

- The information included in the above application is consistent with the facts and law. I am aware of the criminal liability, concerning the attestation of untruth about a circumstance of legal significance.
- I did not study or work in Poland in the period from 1 January 2017 until the moment of closing the call for applications neither I have not stayed in Poland for more than three months continuously in this time.
- The planned costs indicated in the application will not be financed from other sources.
- If the spouse takes up employment during my visit, I undertake to return the part of the scholarship related to the spouse's arrival.
- I have not been convicted of an offence related to my professional activity, breach of professional ethics, nor have I been penalised for a serious professional misconduct.
- I am not subject to a final judgment regarding fraud, corruption or any other illegal activity that results in any damage or threat.
- I did not deliberately or negligently fail to perform contracts or projects financed or co-financed from public funds.

I hereby:

- consent for processing of personal data,
- confirm that I have become acquainted with the rules of personal data protection indicated in the Programme Regulations,
- confirm that I have fulfilled the obligation to provide information to the persons whose data have been provided within the framework of this application – by providing the rules of personal data protection indicated in the Programme regulations.

☐ I approve
