Ho Chi Minh City, 11 November 2021

Dear Prof. Pavel Akimov,

Warm greetings from Ho Chi Minh City University of Technology (HCMUT)!

Thank you very much for inviting me to the Celebration ceremony upon the 100th anniversary of Moscow State University of Civil Engineering (MGSU). Unfortunately, due to the Covid-19 pandemic, we are not able to send our representative to join your ceremony on November 22, 2021.

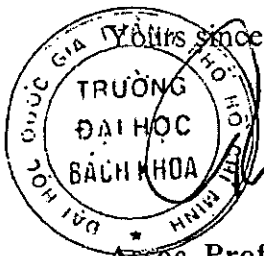

On behalf of HCMUT, I would like to congratulate MGSU on this remarkable event of your university. With a long history back from 1921 and good reputation for leading in civil engineering, MGSU is a potential partner that we expect to activate the partnership and foster our relationship in the future.

Our MOU and Agreements signed on 2006 and 2007 are good foundation for developing further productive collaborations between the two universities. The pandemic has brought us unprecedented challenges but it will not stop our good will to expand the internationalization. I am confident that together we can overcome these obstacles confronting the humankind. We hope to have more regular interaction with your university to work out possibilities and mutual interests for practical cooperation projects.

Once again, I would like to commend MGSU on reaching the 100th anniversary and wish your ceremony celebration a big success.

We look forward to strengthening our partnership in near future, building on many successes that we have achieved in the academic community.

Yours sincerely,

Mai Thanh Phong
Assoc. Prof. Dr. Mai Thanh Phong
President
Ho Chi Minh City University of Technology
