31 March 2015

26 Yaroslavskoye shosse, MGSU, Moscow

INFORMATION

On 31 March 2015, MGSU holds the 12th scientific and practical, education and methodology anniversary conference «**BASIC SCIENCES IN MODERN CONSTRUCTION**» with the invitation of foreign participants.

This conference is held under the Programme for developing Moscow State University of Civil Engineering as a National Research University.

We have pleasure to invite scientists, educational researchers, members of Russian and foreign educational, scientific, educational research organizations.

Our colleagues from Russian regions will have an opportunity to see work of plenary meeting online. Information about results of the conference will appear in printed and internet media.

The submitted reports by the decision of the expert committee will be published in the scientific and technical journal "Vestnik MGSU" or in the international scientific and technical journal "International Journal for Computational Civil and Structural Engineering", both accredited by Russian Higher Attestation Commission.

VENUE, PROGRAMME AND TIMETABLE

will be additionally published in 2nd informational message on the next webpages:
MGSU - <http://mgsu.ru/news/>

THE CONFERENCE WORKING GROUP

The head of the working group: **Kofanov Andrey Viktorovich**
26 Yaroslavskoye shosse Str., MGSU, INSTITUTE OF BASIC SCIENCES (Ofc.354), Moscow, 29337,
Russia; tel.: 8(495) 780-48-35, e-mail: ifonauka@mgsu.ru;
Secretary: **Voronina Irina Vladimirovna**
tel.: 8 (499) 182-16-87 (extens. 2290), e-mail: ifo-fin@mgsu.ru

**All speakers' reports and registration forms should be forwarded to us
until 27 March 2015.**

REGISTRATION FORM

Surname	
First name	
Organization	
Address of organization	
Breakup group №	
Position, academic degree	
Address (to receive collected works)	
Home address	
Date of birth	
Tel.	
Fax	
E-mail	
Topic of your report (short annotation)	
Type of participation (personal/distance)	
MGSU hostel booking (yes/no)
